

Life Music

A symphony
 of human
 experience
 beats
 within me
Each
 and every
 note
 bellows
 through my veins
Resonating
 memories
 echo scales
 of chained
 emotions

My soul
 aches
 A cacophony
 of aural
 aneurisms
Restricting
 my flow
 with the rhythms
 of life
I hear
 lyrics,
 but of madmen,
 who unite
 and divide

Raucous
 orchestrations
 of evil
 in A minor

Surrounded
 I sense
 undulating

melodies
of goodness
yet
I cannot
hum
a tune
